

How to Register on the Eastside Youth Soccer Association referee website.

1. Go to www.eyesareferees.org
2. Click on the Register Tab
3. Fill out appropriate data, answer questions and click the grey 'Register' button at bottom of page.

Helpful hints:

- The name you type into First Name and Last Name boxes is the name that'll appear on your game assignments and reports. So, for example, if your birth name is William but all your friends call you Bill, then type in 'Bill'
- birthdates require the month, day and full year, i.e. 01/15/1990
- passwords must be 6 characters or more in length

The screenshot shows a web browser window displaying the registration page for the Eastside Youth Soccer Association Referee Management System. The page title is "Eastside Youth Soccer Association - Referee Management - Microsoft Internet Explorer provided by Comcast". The address bar shows "http://www.eyesareferees.org/register/". The page features a blue header with the association's name and "Powered By Soccer Central™". A left sidebar contains navigation links: About Us, Calendar, FAQ, Register, Organizations, Locations, Game Search, Resources, Help, and Login. The main content area is titled "Register" and includes a brief instruction: "If you are a referee or a club/organization administrator and would like to access the restricted areas of this website, please REGISTER by completing the form below." Below this is a section for "Bold Type = Required Fields" with a grid of input fields: First Name, Last Name, Date of Birth (mm/dd/yyyy), Gender, Address, City, State, Zip, Primary Phone, Primary Email, Home Phone, Fmail 1, Work Phone, Email 2, Cell Phone, Send Notices (Email 1, Email 2), Choose Password, and Password Confirm. A text area for "Additional comments" is also present. A section titled "Please answer the following questions if you are registering as a REFEREE on this site." contains five numbered questions with radio buttons for Yes/No and dropdown menus for dates and training details.

4. You'll see a 'thank you' note on the screen. Once the web-site administrator has verified and approved your registration, you'll receive an email notice with a reminder of your login name and password. Each user is limited to ONE login name. If you forget your password, then request it from the login page – you can referee for multiple clubs / organizations on this web-site with one login process.

5. The very first time you login (after approval), you'll be asked to review and agree to a user agreement. Then you'll be asked to update your personal profile. Once that is complete, you can click on the HOME tab or any other tab on the website.
